

ELEGANT FUNCTIONALITY FOR ROOMS IN HOTELS AND ON CRUISE SHIPS

Designed to enhance the guest experience – crafted for professional environments

Treat your guests to something out of the ordinary with the SIF Series from DAN DRYER — a complete collection of sleek and user-friendly washroom solutions, developed specifically for the cruise and hotel industry.

With its timeless design and wall-mounted functionality, SIF fits seamlessly into modern bathroom settings — whether in stylish cabins or luxurious hotel rooms.

The series includes everything your guests need:

- Toilet brush
- Toothbrush mug
- Soap dispenser
- Towel rail
- Waste bin
- Toilet roll holder

Each product is designed with a focus on aesthetics, durability, and easy cleaning.

SIF combines Scandinavian design with functionality that simplifies everyday life for both guests and housekeeping staff.

SIF is available as standard in black and white. For larger projects, selected PVD finishes are available with a minimum order quantity. Feel free to contact us to learn more about PVD options.

Create a cohesive and inviting look – down to the smallest detail. With the SIF Series, you get a well-considered solution that unites design, functionality, and flexibility.

Contact us today to learn how SIF can match for your project and elevate the experience for your guests.
