

SIF

COMPACT ELEGANCE

With its timeless design and wall-mounted functionality, SIF fits seamlessly into modern bathroom settings — whether in stylish cabins or luxurious hotel rooms.

The series includes everything your guests need:

- Toilet brush
- Toothbrush mug
- Soap dispenser
- Towel rail
- Waste bin
- Toilet roll holder

Each product is designed with a focus on aesthetics, durability, and easy cleaning.

SIF combines Scandinavian design with functionality that simplifies everyday life for both guests and housekeeping staff.

SIF is available as standard in black and white. For larger projects, selected PVD finishes are available with a minimum order quantity.

There are places where
people stay for moment.
And where the design must
perform every single second
